Ok, most of the offsite hours had been spent finding vendors to bid on system , we should be good now.

Subject: Clarification on Shiloh Church Work Orders

Just to be clear, the DWOs include 16 hr per week for RM duties. This can be onsite or offsite

The 8 hr day for the technicians include the time to purchase water. Assuming total of 5 hrs travel time and one hour for drop off, this still allows 2 hrs twice weekly for water purchase.

Water purchase should not be billed as a separate run

Thank you
Chris
